1. INTRODUCTION

The Regulatory Council of the Denomination of Origin of the Wines and Vinegars of Montilla-Moriles has among its objectives and functions training in its broadest sense. For this reason, the Montilla-Moriles Training Center offers an ambitious program that details a wide and varied range of training, designed in collaboration with the School of Hospitality of Cordoba and the specialized company Incentifor.

Within the activities of its training room, two annual seminars (March and September) aimed at higher education in wines and vinegars of Montilla-Moriles for technical and administrative staff related to restaurants and catering establishments, distribution and specialized stores will be developed, whose objective is to provide the student with essential knowledge to ensure the proper conservation and service of our products. and this year, our Regulating Council of the Denomination of Origin of the Wines and Vinegars launches its first certificate specialized in English language.

The program is carried out during three days, which will include theoretical sessions, visits, organoleptic tastings and workshops.

At the end of the seminar, an aptitude test will be carried out. Those candidates who pass the same, will receive the corresponding diploma and certificate as a **TECHNICIAN SPECIALIZED IN WINES AND VINEGARS OF MONTILLA MORILES**.

2. OBJECTIVES
